Re: Young Author's Contest Bare Books
Date: January 26, 2010

As part of the Young Author's program, the school will provide students the opportunity to purchase Bare Books to use for their entries. The covers and inside pages of all books are constructed with 28 pages (14 sheets) of quality white paper and are suitable for crayons, watercolor markers, colored pencils, and other writing and coloring materials. The book measures 6 3/8" by 8 1/8". As an added convenience, a line guide is included with each book. The line guides are printed on two sides of heavy index stock. Placed under the page the lines show through so children may use them as guides when writing. One side has heavy black lines with 1/2 inch spacing. The other side has heavy black lines with 11/16 inch spacing and a thinner dashed line with 11/32 inch spacing.

The price of each book and line guide is \$2.25. If you would like to purchase a book, please fill out the form below and send it and the money to school with your child. The deadline for ordering the Bare Books will be February 8, 2010.

You may see an example of the bare book at www.barebooks.com. I will be ordering item #2705, the book, and item #GD27, the line guide. If you check the website, you will see that I am charging .35 more than the total cost. The extra money will be used to fund an ice cream party for the young authors. You will also notice that there is no cost to ship these items to a school. If you choose to have them shipped to your home, you would be paying \$3.00.

Thank you for your interest in the Young Author's Contest.
