

# **Manhattan Junior High School 2008-10 School Improvement Goals**

## **ONE - TWO YEAR GOALS**

- 1) Collaborate with Anna McDonald and Wilson Creek in developing a K-8 Mathematics Curriculum Map.
- 2) Bridge the previously adopted k-5 writing curriculum to encompass all grade levels.
- 3) Collaborate with Anna McDonald and Wilson Creek to develop a district wide RtI Plan
- 4) Enhance our school safety plan in conjunction with our local fire, police, and emergency management departments.
- 5) Increase community involvement within our school, as well as public relations with the local newspapers.
- 6) Improve our current student incentive program.
- 7) Plan for future growth in enrollment and prepare for an addition to the current structure.

## **THREE – FIVE YEAR GOALS**

- 1) Increase the percentage of students who meet/exceed standards in reading, writing and mathematics on local and standardized assessments.
- 2) Increase the use of technology in all areas in order to enhance student learning as well as maintain pace with current trends in technology.
- 3) Fortify positive school climate through student/staff/community efforts.
- 4) Build upon the current positive and safe learning environment.
- 5) Continue efforts to utilize research based best practices for instruction and intervention.
