

HOMEOLOGIC INFO

School year 2010-11

Dear Parents and Guardians,

Manhattan School District's partnership with parents is an important piece to the advancement of our students' education. We are hoping to strengthen this partnership with the use of Home Logic at Anna McDonald and Manhattan Junior High School. Home Logic is an electronic grade book program, which will allow parents to view attendance, assignments and grades.

If you are a parent of a 3rd -8th grader (2010-2011 school year), and would be interested in using Home Logic, please send an e-mail with your student(s) full name, grade, and a 5 character password, to homelogic@manhattan114.org. Each family will only have one log in and password, as you will be able to view your children in those two buildings.

You will receive a confirmation with your user name, password, and the Home Logic web address.

If you have any questions, please feel free to contact me at homelogic@manhattan114.org.

Sincerely,

Janis H. Leppin
Technology Coordinator
Manhattan School District 114
